

Fox ESS Warranty Policy for SEA

1. Scope of Warranty

Fox ESS provides the following limited and extended warranty for inverters (herein referred to as the Product(s) unless explicitly stated otherwise) produced/provided by Fox ESS. Fox ESS under its own discretion has the right to decline the replacement of the device if the terms and conditions on the Policy are breached. This Fox ESS Warranty Policy (herein referred to as the Policy) is applicable in all countries where the product is sold through recognized Fox ESS partners. The Product(s) included in this Policy are:

P100, P100E, PQ1 Plus, PQ3 Plus, H1-G2, KH, M, Q, F, G, T, V, R, P3-S, P3 PRO, P3 PLUS

Important:

Please note, this warranty policy covers Fox ESS Products as specified herein. This warranty is limited to the Fox ESS inverter range only and does not cover any external or ancillary parts. Any ancillary parts or add-on devices supplied by Fox ESS may be covered by a separate warranty policy.

This Policy shall not be held as a guarantee of the product durability nor does it include any product ability. This Policy is limited only to the parties listed in section 2.

2. Contracting Parties

This Policy is only provided to the original purchaser of the product from Fox ESS (Purchaser), where the Purchaser is a distributor, solar retailer or an accredited electrician (Installer), who on-supplies the product to another party, or to that other- party (End-User) where the product is installed.

3. Warranty Period and Warranty Extension

The Policy provides warranty cover as outlined below:

Standard Warranty for P100, P100E, PQ1 Plus, PQ3 Plus, H1-G2, KH, M, Q, F, G, T, V, R, P3-S, P3 PRO, P3 PLUS

The Product will be free from defects in materials and workmanship for a period of sixty (60) months from the date of installation, but no more than sixty-five (65) months from the date of manufacture of the Product (whichever comes first).

Free Warranty Extension for P100, P100E, PQ1 Plus, PQ3 Plus, H1-G2, KH, M, Q, F, G, T, V, R, P3-S, P3 PRO, P3 PLUS

If the registration of the Product (see section 7) is successfully completed via the Fox warranty website before the end of thirty-six (36) months from the date of installation of the Product, an additional sixty (60) months of warranty will be provided beyond the sixty (60) standard warranty period.

4. Performance Warranty Terms for P100, P100E

Fox ESS warrants and represents that the Product retains at least 70% of Nominal Energy for either 10 years after the date of the initial installation or for a minimum Energy Throughput as shown in the table below (whichever comes first) when the battery system is operated under a normal use according to the specifications outlined in the Product manual.

The term “Nominal Energy” herein means the initially rated capacity of the Products as printed on the label of the Products. The precondition of the valid 10-year Performance Warranty shall be as follows:

- The ambient temperature during the operation of the Products shall not fall below -10°C (14°F) or exceed 50°C (122°F)
- The energy throughput for P100-5-H, P100-6-H, P100-7-H, P100-8-H, P100-9-H, P100-10-H (10) year in table below:

Capacity Measurement conditions:

- i. Ambient temperature: 25~ 30°C (77~86°F)
- ii. Initial battery temperature from BMS: 25~30°C
- iii. Current and voltage measurement at battery DCside

Product	Nominal Energy	Energy Throughput
P100-5-H, P100-6-H, P100-7-H, P100-8-H, P100-9-H, P100-10-H	10.24kWh	45.51MWh
P100E-5-H, P100E-6-H, P100E-8-H, P100E-10-H	10.24kWh	45.51MWh

5. Policy Claim Eligibility

The only person(s) eligible to claim warranty under this contract are the Installer and Fox ESS authorized personnel. If the Installer has gone into administration or insolvency or if the site is in a remote area, the End-User/Installer at their discretion and expense may appoint a local Installer to carry out the functions of the original Installer. Eligibility of a Service Rebate is in accordance with sections 5 and 6 of this Policy.

6. Service Rebate

The Installer may be eligible for a service rebate for the service and replacement of the Product, which has been returned to Fox ESS and deemed defective in workmanship or materials upon testing and inspection by Fox ESS.

If multiple on-site visits are required, the Installer must contact Fox ESS prior to the site visit. The service rebate should be claimed within three (3) months from the date when the warranty claim is approved. Any claims made on account of the following reasons will not be eligible for the service rebate:

- Travel and subsistence expenses as well as on site installation, modification and maintenance cost;
- Where the replacement Product(s) offers improved features/functionality not compatible with the remaining components of the PV system;
- Compensation for power that was not fed into the grid or consumed;
- Delay in receiving the product due to transportation costs or costs incurred due to issues beyond the control of Fox ESS.

The installer may be eligible for transportation costs to include the cost of transportation of the Product through roadways to a single specified address only. It does not include any express delivery charges or charges due to other means of transportation or any onward shipping costs from the original specified shipping address. Any excessive charges above the mentioned charges will not be covered by Fox ESS.

7. Limited Liability

Claims that relate to defects that are caused by the following factors are not covered by Fox ESS's warranty obligations:

- Inadequate ventilation and circulation resulting in minimized cooling and natural airflow;
- Improper installation of the Product(s) and/or installation performed by a non-accredited Installer;
- Improper or non-compliant use, installation, commissioning, start up or operation;
- Improper wiring of the Product causing arching or damage of the Product or its parts;
- Improper use or misuse of the Product(s) by the Installer or End-User e.g. damage resulting from dropping the Product during installation;
- Use of improper connectors, e.g. where the Installer has installed the Product with different brand and/or model of connectors other than those supplied with the Product;
- Damage of the Product(s) that originate from other parts of the system;
- Force majeure (storm damage, lightning strike, over voltage, fire, thunderstorm, flooding etc.)
- Installation of the Product(s) in salt-affected outdoor areas, which may result in corrosion of the equipment; a salt-affected area refers to the region within 1000 m of the coast or prone to sea breeze;
- Damage that occurred during the transportation of the Product(s);
- Flaws that do not adversely affect the proper functioning of the product(s), e.g. cosmetic issues, wear and tear;
- Unauthorized repair and re-installation of the Product(s);
- Where the Installer has not followed the warranty claim process and detailed in section 9, and/or proper evidence of the fault and/or test carried out on site has not been provided to Fox ESS;

VERSION 2.0- 6th July, 2026

- Failure to follow the safety regulations and/or operating instructions in respect to the Product(s) operating manual.

Where authorized Fox ESS personnel verify that the claim is valid and the Product is faulty owing to defects from materials and workmanship, Fox ESS under its discretion will:

- repair of the product on site or at a designated Fox ESS office or service center;
- provide the closest Product within its current range of products for the replacement of the faulty or damaged Product.

The replacement Product(s) may differ in the specification and size within parameters deemed reasonable by Fox ESS. Fox ESS may replace parts with refurbished parts.

8. Exclusions

This Policy does not cover the components that were not initially sold by Fox ESS as a part of the system. This also includes components of the system sourced by the End-User or Installer that may be of the same manufacturer and/or model as the one provided by Fox ESS.

9. Registration

It is recommended that all Products are registered in order that they qualify under the terms of this Policy. Warranties should be registered within thirty-six (36) months after installation. However, it is recommended that they are registered no more than six (6) weeks following the successful installation and commissioning of the Product where possible. The information required at the point of registration via the Fox website is as follows:

1. Product model
2. Product serial number
3. Installation date
4. Customer name
5. Installation postal/zip code
6. Full installation address
7. Name of installation company

10. Warranty Claim Process

It is the duty of the Installer to contact Fox ESS in the event of a fault with the following information.

- Name of the Installer:
- Product Model No:
- Fault Code:
- Fault Details:
- Contact Details:

Fox ESS may ask for additional details depending on the fault conditions. Fox ESS will run tests on the product and may advise the Installer to take photos for verification purposes. The Installer is required to submit an RMA Form with the evidence and any additional information requested by Fox ESS. Once the form is received a unique ticket number is issued which will be used for tracking the progress of the claim. Fox ESS is obliged to approve and dispatch the Product within 3 working days subject to availability of the product. Once the replacement is completed, the Installer is obliged to arrange the shipping of the faulty product to Fox ESS within a maximum of thirty (30) days of the replacement being received. Failure to do so will forfeit eligibility for the service rebate outlined in section 5.

If an allegedly faulty Product is returned to Fox ESS pursuant to this Policy, and is found by Fox ESS to be free of defects that would qualify it for replacement under this policy, or due to limited liability as stated in section 6, Fox ESS will apply a flat-rate inspection charge for each Product and/or will seek to recover the full costs of the replacement Product. **Note:** Any Product replacement need to be approved by Fox ESS in all cases. Any replacement of the Product issued without the consent of Fox will invalidate an associated claim.

11. Further Rights at Law

In addition to the warranty provided by Fox ESS, the end-user/Installer has statutory rights that will not be limited or replaced by this warranty. Our goods come with guarantees that cannot be excluded under the SEA Local Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
