

AU Fox Warranty Policy

1. Scope of Warranty

Fox provides the following limited and extended warranty for inverters and charge controllers (herein referred to as the Product(s) unless explicitly stated otherwise) produced/provided by Fox. Fox under its own discretion has the right to decline the replacement of the device if the terms and conditions on the Policy is breached. This Fox Warranty Policy (herein referred to as the Policy) is applicable in all the countries where the product is sold through recognised Fox partners. The Product(s) included in this Policy are:

S series: S700, S1000, S1500, S2000, S2500, S3000

E/F series: E3000, E3600, F3000, F4600, F5000, F6000

T series: T3, T4, T5, T6, T8, T8 (Dual), T10, T10 (Dual), T12, T12 (Dual), T15, T15 (Dual), T17, T20, T25

AC series: AC1-3.0-E, AC1-3.7-E, AC1-4.6-E, AC1-5.0-E, AC1-6.0-E

Hybrid series: H1-3.0-E, H1-3.7-E, H1-4.6-E, H1-5.0-E, H1-6.0-E

AIO series: AIO-H1-5.0, AIO-H1-6.0, AIO-AC1-5.0, AIO-AC1-6.0

HV series: HV2600

Important:

Please note, this warranty policy covers Fox Products as specified herein. This warranty is limited to the Fox inverter/charger range only and does not cover any external or ancillary parts. Any ancillary parts or add-on devices supplied by Fox may be covered by a separate warranty policy.

This Policy shall not be held as a guarantee of the product durability nor does it include any product ability.

This Policy is limited only to the parties listed as per section 2.

2. Contracting Parties

This Policy is only provided to the original purchaser of the product from Fox (Purchaser), where the Purchaser is a distributor, solar retailer or an accredited electrician (Installer), who on-supplies the product to another party, or to that other- party (End-User) where the product is installed.

3. Warranty Period and Warranty Extension

The Policy provides warranty cover as outlined below:

Standard Warranty

For S series, E/F series and T series:

The Product will be free from defects in materials and workmanship for a period of one hundred and twenty (120) months from the date of installation, but no more than one hundred and twenty five (125) months from the date of manufacture of the Product (whichever comes first).

For HV series, Hybrid series, AC series and AIO series:

The Product will be free from defects in materials and workmanship for a period of sixty (60) months from the date of installation, but no more than sixty-five (65) months from the date of manufacture of the Product (whichever comes first).

FoxPlus Warranty

If the registration of the Product (see section 8) is successfully completed via the Fox website before the end of thirty-six (36) months from the date of manufacture of the Product, an additional twenty four (24) months of warranty will be provided for S, E, and F series models **only** beyond the one hundred and twenty (120) standard warranty period. This warranty is called the *FoxPlus* warranty. The *FoxPlus* warranty will cover the cost of repairing the Product only. It will not cover transportation costs or be eligible for service rebates/compensation as outlined in section 5.

FoxPro (Extended Warranty)

For full warranty coverage beyond the standard warranty period of one hundred and twenty (120) months, the Product may be eligible for a warranty extension (*FoxPro Warranty*) up to two hundred and forty (240) months in total. The *FoxPro* warranty extension is available for purchase up to thirty-six (36) months from the commissioning date of the Product.

On account of the product being replaced, the unexpired warranty is transferred to the replacement product, applicable to both the standard and extended (FoxPro) warranty.

Note: FoxPro warranty do not available for AIO series and HV series.

4. Policy Claim Eligibility

The only person(s) eligible to claim warranty under this contact are the Installer and Fox authorized personnel. If the Installer has gone into administration or insolvency or if the site is in a remote area, the End-User/Installer at their discretion and expense may appoint a Local Installer to carry out the functions of the original Installer. Eligibility of a Service Rebate is in accordance with sections 5 and 6 of this Policy.

Annual inspection is required from the 6th year after inverter’s commissioning date by a Fox authorized suitably qualified technician, and that documented evidence of the inspection is kept on record. Failure to adequately maintain the equipment in the manner described may invalidate any warranty claims.

5. Performance Warranty Terms (apply to HV series only)

Fox warrants and represents that the Product retains at least 60% of Nominal Energy for the either 10 years after the date of the initial installation or for a minimum Energy Throughput as per the table below (whichever comes first) when the battery system is operated under a normal use according the to the specifications outlined in the Product manual. The term “Nominal Energy” herein means the initially rated capacity of the Products as printed on the label of the Products. The precondition of the valid 10 year Performance Warranty shall be as follows:

- (i) The ambient temperature during the operation of the Products shall not fall below -15°C (5°F) or exceed 55°C (131°F)
- (ii) The energy throughput for (10) years is less than values in table below:

Product	Nominal Energy	Energy Throughput
HV2600	2.6kWh	7.8MWh

(iii) Capacity Measurement conditions:

- Ambient temperature: 25~ 30°C (77 ~ 86°F)
- Initial battery temperature from BMS: 25~ 30°C
- Current and voltage measurement at battery DC side
- Charging/discharging method

Charge: (0.5) CC/CV, (Constant voltage 58.4V(HV2600)), Cut-off current(0.05)C

Discharge: (0.5) CC/CV, Cut-off voltage (40V/HV2600)

Current at (0.5C): 25A (HV2600)

6. Service Rebate

The Installer may be eligible for a service rebate for the service and replacement of the Product, which has been returned to Fox and deemed defective in workmanship or materials upon testing and inspection by Fox.

If multiple on-site visits are required, the Installer must contact Fox prior to the site visit. The service rebate should be claimed within three (3) months from the date of when the warranty claim is approved. Any claims made on account of the following reasons will not be eligible for the service rebate:

- Travel and subsistence expenses as well as on site installation, modification and maintenance costs;
- Where the replacement Product(s) offers improved features/functionality not compatible with the remaining components of the PV system;
- Compensation for power that was not fed into the grid or consumed;
- Delay in receiving the product due to transportation costs or costs incurred due to issues beyond the control of Fox.

The installer may be eligible for transportation costs to include the cost of transportation of the Product through roadways to a single specified address only. It does not include any express delivery charges or charges due to other means of transportation or any onward shipping costs from the original specified shipping address. Any excessive charges above the mentioned charges will not be covered by Fox. **Products covered under the FoxPlus warranty are not eligible for any service rebates outlined above.**

7. Limited Liability

Claims that relate to defects that are caused by the following factors are not covered by Fox's warranty obligations:

- i. Inadequate ventilation and circulation resulting in minimized cooling and natural air flow;
- ii. Improper installation of the Product(s) and/or installation performed by a non-accredited Installer;
- iii. Improper or noncompliant use, installation, commissioning, start up or operation;
- iv. Improper wiring of the Product causing arching or damage of the Product or its parts;
- v. Improper use or misuse of the Product(s) by the Installer or End-User e.g. damage resulting from dropping the Product during installation;
- vi. Use of improper connectors, e.g. where the Installer has installed the Product with different brand and/or model of connectors other than those supplied with the Product;
- vii. Damage of the Product(s) that originate from other parts of the system;
- viii. Force majeure (storm damage, lightning strike, overvoltage, fire, thunderstorm, flooding etc.)
- ix. Damage that occurred during the transportation of the Product(s);
- x. Flaws that do not adversely affect the proper functioning of the product(s), e.g. cosmetic issues, wear and tear;
- xi. Unauthorized repair and reinstallation of the Product(s);
- xii. Where the Installer has not followed the warranty claim process and detailed in section 9, and/or proper evidence of the fault and/or test carried out on site has not been provided to Fox;
- xiii. Failure to follow the safety regulations and/or operating instructions in respect to the Product(s) operating manual.

Where authorized Fox personnel verify that the claim is valid and the Product is faulty owing to defects from materials and workmanship, Fox under its discretion will:

- repair of the product on site or at a designated Fox office or service centre;
- provide the closest Product within its current range of products for the replacement of the faulty or damaged Product.

The replacement Product(s) may differ in the specification and size within parameters deemed reasonable by Fox. Fox may replace parts with refurbished parts.

8. Exclusions

This Policy does not cover the components that were not initially sold by Fox as a part of the system. This also includes components of the system sourced by the End-User or Installer that may be of the same manufacturer and/or model as the one provided by Fox.

9. Registration

It is recommended that all Products are registered in order that they qualify under the terms of this Policy. Registration is a strict requirement for those seeking coverage under the *FoxPlus* Warranty beyond the standard seventy-two (72) months of cover. Warranties should be registered within thirty-six (36) months of installation, however it is recommended that they are registered no more than six (6) weeks following the successful installation and commissioning of the Product where possible. The information required at the point of registration via the Fox website is as follows:

- i. Product model
- ii. Product serial number
- iii. Installation date
- iv. Customer name
- v. Installation postal/zip code
- vi. Full installation address
- vii. Name of installation company

10. Warranty Claim Process

It is the duty of the Installer to contact Fox in the event of a fault with the following information.

Name of the Installer:
Product Model No:
Fault Code:
Fault Details:
Contact Details:

Fox may ask for additional details depending on the fault conditions. Fox will run tests on the product and may advise the Installer to take photos for verification purposes. The Installer is required to submit an RMA Form with the evidence and any additional information requested by Fox. Once the form is received a unique ticket number is issued which will be used for tracking the progress of the claim. Fox is obliged to approve and dispatch the Product within 3 working days subject to availability of the product. Once the replacement is completed, the Installer is obliged to arrange the shipping of the faulty product to Fox within a maximum of thirty (30) days of the replacement being received. Failure to do so will forfeit eligibility for the service rebate outlined in section 5.

If an allegedly faulty Product is returned to Fox pursuant to this Policy, and is found by Fox to be free of defects that would qualify it for replacement under this policy, or due to limited liability as stated in section 6, Fox will apply a flat-rate inspection charge for each Product and/or will seek to recover the full costs of the replacement Product.

Note: Any Product replacement has to be approved by Fox in all cases. Any replacement of the Product issued without the consent of Fox will invalidate an associated claim.

11. Further Rights at Law

In addition to the warranty provided by Fox, the end-user/Installer have statutory rights that will not be limited or replaced by this warranty.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.
